Our Compass Points to Success: Navigating by Seafarer Feedback

Welfare officer Judith Jayasinghe went the extra mile, taking these seafarers from Ghana show shopping at Sylvia Park Shopping Centre.

This act of kindness will be paid forward, with the seafarer explaining that he owns over 40 pairs of shoes but only wears each pair a few times before donating them to someone in need in his community.

The crew reached our through WhatsApp to Judith after forming a friendship through a recent ship visit. They were incredibly grateful to have a brief shopping excursion in the few hours between duties.
